OFFICE OF PETITIONS

In re Application of :
Ching et al. :
Application No. 09/784,865 : **DECISION ON PETITION**
Filed: February 15, 2001 :
Attorney Docket No. 1914P/STL920000089US1 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed October 14, 2008, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned as a result of petitioner's failure to take appropriate action in a timely manner after the decision of June 17, 2008 by the Board of Patent Appeals and Interferences. Therefore, the proceedings as to the rejected claims were terminated. *See* 37 CFR 1.197(b). As no claim was allowed, the application became abandoned on August 18, 2008. *See* MPEP 1214.06. A Notice of Abandonment was mailed August 28, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$810.00, and the submission required by 37 CFR 1.114; (2) the petition fee of \$1,620.00; and (3) a proper statement of unintentional delay.

The address given on the petition differs from the address of record. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to Joan Olszewski at (571) 272-7751.

The file is now being forwarded to Technology Center 2162 for processing of the Request for Continued Examination under 37 CFR 1.114 filed with the instant petition.
